PROFESSIONAL SUMMARY

Enthusiastic and detail-oriented entry-level web designer with a strong foundation in HTML, CSS, JavaScript, and responsive design. Recently completed formal training in web design and development, with hands-on experience in creating visually appealing and user-friendly websites. I am passionate about combining creativity with technical skills to deliver high-quality designs that enhance user experience. Proficient in graphic design tools such as Adobe Photoshop, Illustrator, and Figma, with a keen eye for modern design trends and user-centric interfaces. I am eager to contribute my skills in a dynamic work environment while continuing to learn and grow in the field of web design.
